

Summer Reading List – 2nd Grade 2023-2024

In an effort to encourage reading, and a love for reading, below is a recommended summer reading list for upcoming second grade students. A good goal to strive for would be at least ten books from the reading list. I hope you will read many more than ten over the summer! These can be parent or student read. One way to raise a reader is to read great books to them when they are young. Fill out the attached log with the books you read. Do not forget to add other books you read too! Return the form to school with your child on the first day of school.

I hope you have an exciting, enjoyable summer of reading!
