

Summer Reading List – 5th Grade 2023-2024

In an effort to encourage reading, and a love for reading, below is a recommended summer reading list for upcoming fifth grade students. A good goal to strive for would be at least five books from the reading list. I hope you will read many more than five over the summer! Fill out the attached log with the books you read. Do not forget to add other books you read too! Return the form to school with your child on the first day of school.

I hope you have an exciting, enjoyable summer of reading!
